PROFESSIONAL SUMMARY

B.Tech Computer Science (Data Science) student with expertise in Python, SQL, Machine Learning, Data Analysis, and AWS Cloud. Skilled in developing data-driven applications, machine learning models, and data processing pipelines using Scikit-learn, Pandas, NumPy, SQLite, Supabase, and YOLO. Seeking opportunities to apply analytical, problem-solving, and software development skills in real-world projects.

EDUCATION

- **Rajeev Gandhi Memorial College of Engineering & Technology** 2023–2027
B.Tech in Computer Science and Engineering (Data Science), CGPA: 8.86 Nandyal, Andhra Pradesh

EXPERIENCE

- **AI & Software Engineer Intern** May 2026 – Present
OSCOWL AI Remote
 - Developed Python-based data pipelines to collect, clean, validate, and process datasets for machine learning workflows.
 - Automated data preprocessing and stored processed datasets in Parquet format, improving data consistency and supporting downstream analysis.

TECHNICAL SKILLS

- **Languages:** Python, Java, C, SQL
- **Libraries/Frameworks:** Scikit-learn, Pandas, NumPy, Random Forest, YOLO
- **Data Analysis:** EDA, Excel, Power BI, Matplotlib
- **Databases:** SQLite, Supabase
- **Tools:** Git, GitHub, VS Code, AWS Cloud

PROJECTS

- **Real Estate Price Forecast**
 - Built a machine learning model to predict real estate price appreciation using infrastructure, pollution, and market data.
 - Achieved R^2 score of 0.87024 and RMSE of 4.31 after preprocessing, feature engineering, and model evaluation; developed a prediction interface using Scikit-learn.
- **CleanAir+: Real-Time Air Quality Risk Prediction System**
 - Developed an automated pipeline to collect AQI and PM2.5 data every 10 minutes for 41 cities using the WAQI API.
 - Stored data in SQLite and Supabase and built a Random Forest model achieving 89% accuracy for health risk prediction.

CERTIFICATIONS

- AWS Cloud Practitioner (2025)
- NPTEL - Introduction to Internet of Things (2025), Data Analytics with Python (2026), Soft Skills (2024)

ACHIEVEMENTS

- **Lead, SHIELD PREP Club, RGM CET**
 - Conducted mock interviews, resume reviews, and placement preparation sessions to improve students' interview readiness.
